Subject: Updated *Patient Assistance Programs List by Drug Name*

We have recently updated this list to include information about *Videx* and *Zerit*. Ms. Jessie Lee, an intern at our office, gathered and compiled the attached metrial for your reference.

This list is composed of medications currently used to treat HIV / AIDS. Also, this list only includes basic eligibility and application information.

If you would like further information or the drug you're looking for is not in the list, you can look for the services available at Prescription Assistance Program @ [www.pparx.org](http://www.pparx.org)
