**THE ALAMEDA COUNTY
SHELTER PLUS CARE PROGRAM**

**Is now accepting applications for
HOMELESS INDIVIDUALS LIVING WITH HIV/AIDS
AND FAMILIES WITH A HEAD OF HOUSEHOLD
LIVING WITH HIV/AIDS**

The Alameda County Shelter Plus Care Program will have a two-bedroom unit available for People Living with HIV/AIDS (PLWHA's) who are homeless and homeless families with a head of household living with HIV/AIDS. Applications are requested for this target population; eligibility for a two bedroom unit based on household size or medical reasons must be confirmed.

S+C will make priority referrals for a limited number of eligible households subject to availability. Once the unit is filled, successful applicants will be added to the Alameda County Shelter Plus Care Program waitlist with priority status.

Applications may only be submitted by designated S+C Outreach Agencies. If you need contact information for S+C Outreach Agencies, please call 510.670.6486.

Please note that Alameda County S+C continues to accept applications for single individuals who qualify for a single room occupancy unit at the Harrison Apartments in downtown Oakland.
